

LAKE WASHINGTON RESIDENCE & DOCK

"THE PUZZLER" - Seattle, WA / Phillip Lehn

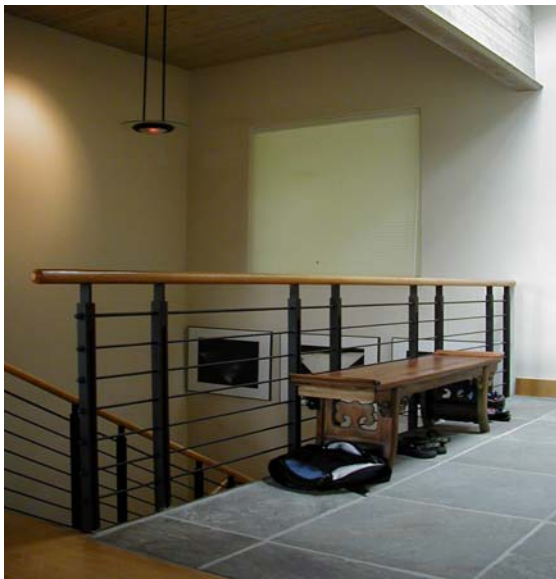

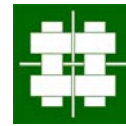

"The Puzzler" is an unusually spacious design for a relatively small, three story, 2,463 SF lakefront house & dock on a very rare, extremely small (1,823 SF land area), and irregularly shaped lot in Seattle. It includes a kitchen with 27.5 LF of counter space, a contiguous living, dining, & garden terrace, powder room, two minor bedrooms with views of the lake, a study that shares a view terrace with the family room, a laundry, minor bath with generous shower, master bedroom with view terrace, spacious walk-in closet, master view bath & shower with sauna, an elevator, and three off street parking spaces. All necessary permits, including a variance and building permits for the house and dock have been approved.
