

LAKEDALE RESORT

San Juan Island, WA

Our interest in and appreciation for the art of creating inns, restaurants, and lodges of distinctive beauty and romance has evolved naturally from our experiences designing fine custom homes. Designed and construction managed by Ted Lehn, "Lakedale Resort is nestled into 82 acres between Roche Harbor and Friday Harbor on San Juan Island. Accommodations include lodging in deluxe log cottages, great for a honeymoon or family reunions, and a new 10 guest room lodge for a romantic getaway, wedding, corporate meeting, or retreat."
